## THE PRICE OF EVERYTHING: THE TRUE COST OF LIVING

DOWNLOAD

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Price of Everything: The True Cost of Living, Eduardo Porter, Why is a life saved from a terrorist attack worth two saved from a natural disaster? Why are women more valuable than ever? Why do Americans tip when Europeans don't? And how can orange juice be used to predict the weather? The Price of Everything starts with a simple premise: behind every decision we make lies a price, whether we're buying a cup of coffee, taking a new job, or deciding to become a parent. Prices are the invisible thread that connect and explain our society, culture, economy, successes and failures. Revealing connections that are ingenious and unexpected, Eduardo Porter shows just how fundamental the price of things, work, happiness, faith, family and the future is - both to our everyday lives and to civilisation as we know it.
