Owlkids Books Inc., Canada, 2016. Hardback. Book Condition: New. Ashley Barron (illustrator). 307 x 231 mm. Language: English . Brand New Book. Kyle has to go. There s just one problem: as a young three-toed sloth, he lives high in the rainforest canopy with his mom, and it s a LONG way down to the forest floor. Like other sloths, Kyle only goes down to the ground once a week when he has to do his business. And he s never made the journey by himself before. Kyle s mom says he s old enough to go alone, but Kyle isn t sure he s ready. It s so far! And won t it be lonely? Unfortunately, he doesn t have much time to decide. As he descends, Kyle s worries dissipate when he discovers he s not really alone. He encounters friendly neighbors like the red-spectacled parrot, whipsnake, tiger-legged monkey tree frog and leaf-cutting ant, all camouflaged in the canopy. With encouragement from his mom, he keeps moving and makes it just in time. The book closes with two pages of informational text: one about three-toed sloths and the other about camouflage. Cut-paper collage art brings the rainforest canopy and all its many layers to life throughout this sweet, gently humorous story about new experiences and newfound independence.
