## BRINGING DOWN SHOWERS OF BLESSINGS

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is something evil going on in the air and contaminating Beloved Believers of our Lord Jesus Christ. Just before this blame is casted at the doorstep of Mr. Satan, I have to confide in you that many leaders of the vineyard are not only aware of this issue but embrace it. As long as we continue to look to other human beings for approval and security, we will be walking miles on the treadmill. Now, how do you bring down showers of blessings? How do you know you are on the right path? I will explain it for you with stories of life. Here are some of the signs: those close to you will attack your plans, belittle you, say anything but encourage you. Personally, my main catalyst is my spouse. This is good because I can give glory and honor to God without guilt-tripping. This is the reality of life because our Lord Jesus was ridiculed even by those of His household in public and in private. Many of us are suffering because we are not in sync with our Creator. We have become a one-man battlefield. We are fighting ourselves. In this journey, you will recognize that your present situation is nothing new. Others have passed through it. We will pass through it. You will pass through it and those coming after us will still pass through it in the name of Jesus. It is my prayer that God should continue to manifest His power in our lives day by day, moment by moment. Beloved, we need more blessings for it is time to stop fishing from the frying-pan or packing snow from...
