Reviews

It in a single of my personal favorite ebook. I am quite late in start reading this one, but better then never. Your life span will likely be enhance once you total reading this article publication.
(Russ Mueller)

HOW TO MAKE A WAVE

Red Deer Press. Paperback / softback. Book Condition: new. BRAND NEW, How to Make a Wave, Lisa Hurst-Archer, "2009 Calgary Library Foundation Literary Awards: Best Child or Teen Book finalist" Delia keeps people away - she thinks she's ugly, she thinks her family is weird; her mom took off and went to India when Delia was a little girl. Delia keeps her distance from others though she has a good friend in Aunt Shirley who helps her to realize that all people have hurts and problems. Through her conversations with Shirley and her explorations in art class, Delia uncovers memories of a car accident, which lead her to discover a hurtful secret at the centre of her family. Shirley is compassionate and honest, though she doesn't allow Delia to wallow in self-pity and anger. She shares with Delia her own hurts and disappointments and so does the art teacher, Ms. Murti. Delia discovers that she's been self-absorbed and has built walls to separate herself from others. Gradually, she is able to accept truth, and to be honest about her pain. She is able to consider that life is full of terrible beautiful aching mystery and that sometimes a coincidence is more than coincidence, it may have to do with something greater, with the alignment of universal forces - "with the making of a wave."
