RAZORBILL, United States, 2016. Hardback. Book Condition: New. 216 x 147 mm. Language: English . Brand New Book. Cross Veronica Mars with MTV's Daria, and you'll get Scarlett Epstein, the snarky, judgmental, and often hilarious star of *Scarlett Epstein Hates It Here*, a witty and heartwarming novel that's perfect for fans of David Arnold's *Mosquitoland* and Kody Keplinger's *The Duff*. Absolutely delightful, the kind of book you'll be reading for an hour before you realize you've been grinning the whole time. BuzzFeed A sparkling, unabashedly feminist debut. Kirkus Reviews, Starred Review Rainbow Rowell's *Fangirl* meets *Harriet the Spy* in this coming-of-age tale filled with emotional resonance. Meet Scarlett Epstein, BNF (Big Name Fan) in her online community of fanfiction writers, world-class nobody at Melville High. Her best (read: only) IRL friends are Avery, a painfully shy and annoyingly attractive bookworm, and Ruth, her pot-smoking, possibly insane seventy-three-year-old neighbor. When Scarlett's beloved TV show is canceled and her longtime crush, Gideon, is sucked out of her orbit and into the dark and distant world of *Poplars*, Scarlett turns to the fanfic message boards for comfort. This time, though, her subjects aren't the swoon-worthy stars of her fave series; they're the real-life kids from her high school. Scarlett never considers what might happen if they were to find out what she truly thinks about them. Until a dramatic series of events exposes a very different reality than Scarlett's stories, forever transforming her approach to relationships both online and off.
