Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . members, but these services, unlike the corresponding services of the University of Paris, never became parts of the national system. THE FIRST POSTAGE RATES. Thomas Withcrings, postmaster to Charles I. , opened the royal posts to the public. The first postage rates were as follows: for a single letter, i. e. a, letter on a single sheet of paper, 2d. for distances of 80 miles, or less. For 140 miles, or less, 4d. For any longer distance, in England, (3d. ; and to Scotland, 8d. For double letters these charges were doubled. . . . It is often said that it was never intended in the establishment of the Post Office that it should yield a profit. This may be true of an ideal Post Office; but it certainly is not an historical fact. Since 1650 there has not been a year when the Government, with the full sanction of Parliament, has not used the postal service as a source of revenue; and very often it has been administered solely for this purpose. PENNY POST IS LONDON IN 1682. Until the close of the reign of Charles II. poBts were from town to town and not from one part of a town to another. Letters might be sent by post to places a few miles away, but there was no local service even in London. The want of such a service was felt as the suburbs grew. In 1682 William Docwra took over a...
