We just saw on the front page of our people today four people very sick, including a toddler, from E. coli in raw milk. It actually wasnt sold in the stores, but was sold di-rectly from a place. So there are just a lot of issues going on right now, so I appreciate your expertise. You mentioned the food coming in from out of the country. What role does the Food Safety and Inspection Service play in making sure these products are safe Dr. H. Thank you, Senator. As I mentioned when Senator AGEN Casey talked about smuggled food, the USDA plays a very impor-tant role here. FSIS has a strong, stringent set of standards for im-ported products. Foreign governments, foreign countries have to meet equivalency standards in the United States. They have to have a system that has been approved and certified as equivalent..
