 New Book ***** Print on Demand *****.This book is packed with
 clear instructions and careful explanations for creating a
 powerful Social Networking web site using Drupal 6. With each
 chapter, you add new features and content until the Social
 Network is ready to be released to the Internet where it can
 grow. By the end of this book, you will have a powerful Social
 Network either like that of the case-study, or of your own design
 based on the setup and features the book walks through. This
 book is aimed at anyone looking to create their own social
 networking web site, including: Businesses building a Social
 Network around a product or service can improve your
 company profile and increase customer loyalty. Alternatively, an
 internal social network gives you employees a place to keep
 resources, discuss ideas, raise concerns, and keep up to date on
 company policies. Hobbyists create a community around your
 hobbies and interests; create a local or distributed user group.
 Organisations Charities Raise your profile, promote your events
 / services / fundraisers and get help from the community in
 organizing them....
