

TREASON, TREACHERY & DECEIT: The Murderers of JFK, MLK, & RFK

Filesize: 8.72 MB

Reviews

*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Hermann Marvin PhD)*

XLIBRIS, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Norvell's historical novel illuminates the assassinations he considers, especially with fascinating reconstructed conversations. It may not be the final word, but there can be no doubt that he comes closer to the truth about JFK, MLK, and RFK than any American history text." James H. Fetzer, Ph.D., Editor of the highly-acclaimed and ground-breaking *Assassination Science* (1998), *Murder in Dealey Plaza* (2000), and *The Great Zapruder Film Hoax* (2003), he is Distinguished McKnight University Professor at the University of Minnesota, Duluth. "Historians may have locked the box on the JFK assassination and the life of Lyndon Baines Johnson but in reading James Norvell's riveting "out of the box" tale, you will shiver with nagging thoughts of intrigue and doubt. Norvell's semi-fictitious story, bolstered with historical facts, is a spellbinding masterpiece. He has interacted with principal characters particularly Madeleine Brown and Billie Sol Estes and done so in a personal manner and over an extended period of time. The more you read, the more you'll wonder, "Could this have happened?" Be careful once you pick it up you won't put it down. Dynamite!" John H. (Jack) Grubbs, Ph.D., Brigadier General (Ret.), U. S. Army, author of *Dryline* and *Bad Intentions*. "Jim Norvell's unique approach to explaining the assassination of President Kennedy leads the reader into this complex and often difficult subject from a fresh direction. I recommend this book primarily because it exposes even the experienced student of the subject to information with which he may not have been familiar, and to possible associations between competing theories' about what happened in Dallas, that may indicate many of them are not necessarily mutually exclusive after all. Mr. Norvell does not pull any punches, and does not sugar-coat..
