To make matters worse, the American gold digger had a kid—a daughter named Elynn. After months of avoiding it, Alex goes to brunch with every intention of giving his father's new family the deep freeze. But he can't pull it off with Elynn's anxious green-grey eyes locked on him. That was the day his life changed. Four years later, Alex is as close to Elynn as a stepbrother can be. But that's not enough for him. He wants more—and he's done waiting.

A very wonderful book with lucid and perfect answers. It is probably the most incredible book I have studied. It has been designed in an exceptionally simple way and is particularly just after I finished reading through this publication by which in fact transformed me, altered the way in my opinion.
