Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is not another get-rich-fast book. Yes, money is important, but rather than trying to make money to achieve satisfaction, this book teaches you how to first get well within yourself and let the money come to you. Ticket to Life details the reasons why we should emotionally detach ourselves from the old and rather unhealthy monetary systems; and how by doing so, we will experience emotional healing and abundant freedom in our lives. The process of detachment will also let you enjoy a whole new attitude towards money and wealth. Ticket to Life offers you a practical guide to a journey, during which you will be encouraged to challenge your belief systems and to transform your thinking from DO-HAVE-BE into a life-serving and healthy, BE-DO-HAVE attitude. Erich Perroulaz decided to quit a lucrative job in investment banking to transform his life, which he felt was not complete and joyful. Because he longed for inner peace and freedom, he decided to buy his own Ticket to Life and take the journey to find emotional and financial freedom. Along the journey, he discovered a powerful mix of elements, which all together create a super cocktail of mind-altering goodness. The secret to making it all work together is the awareness of a missing link to a higher power in our lives. Perroulaz has created a process manual that will change the lives of those who commit to applying the techniques and ideas. Specifically, this book guides the reader through the following questions: * Why is it challenging to achieve real change in life? * How does the monetary system affect your happiness? * Why is a connection to the current...
