Hildegard of Bingen's Medicine

By Wighard Strehlow, Gottfried Hertzka

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Hildegard of Bingen's Medicine, Wighard Strehlow, Gottfried Hertzka, Hildegard of Bingen, a major twelfth-century mystic and prophet, began having divinely inspired visions at the age of six. These visions continued throughout her life and were the source of highly honoured information on healing through a multidimensional approach to the body mind emotions and spirit. Widely accepted by physicians and religious healers of her time, Hildegard's work was lost over the centuries and has only recently been reborn through the work of the authors of this book. HILDEGARD OF BINGEN'S MEDICINE is a groundbreaking contribution to medicine and healing. It contains translations of Hildegard's text which reflect the high point of mediaeval alchemical and healing science. In addition, authors who have worked clinically with Hildegard's wisdom for thirty years comment upon these translations. Many will find this book to contain profound long lost spiritual teachings. Hildegard's deep understanding of nature - trees herbs and animals - inspires a new vision of balance and planetary attunement.

Reviews

Complete guideline for publication fanatics. It is written in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have studied in my personal life and can be the finest pdf for at any time.

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).
