The California Gold Rush began in early 1848 when gold was discovered by James Marshall at Sutters Mill. In the next few years some 300, 000 people flocked to the gold fields to make their fortune; and we think of it as a peculiarly American event. It wasn't. Indeed, the prospectors came from all...

*This is actually the finest ebook we have gone through until now. It is written in straightforward words and phrases instead of difficult to understand. It has been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.*
