Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Trystan Yundt)

Little, Brown Company, United States, 2003. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. HOLLYWOOD IN THE HIGHLANDS With the lovely Priscilla Halburton-Smythe away in London, Lochdubh Constable Hamish Macbeth pines for company during the long Scottish winter. He gets his wish -- and more -- when a troupe of flashy, urbane filmmakers clamors into the nearby town of Drim. Before long bedlam erupts around their make-believe mystery .and culminates in the sudden appearance of one very real corpse. The initial suspect in the killing is one Patricia Martyn-Broyd, the aging mystery writer furious that her musty old cozies are getting a risque face-lift in their TV reincarnation. Yet, going behind the scenes, Hamish soon finds a town full of locals bitten by the movie bug and a cast of quarreling show business types, all harboring their own secrets, lies, and hidden agendas. And as the culprit strikes again, Hamish must quickly find the right killer -- or script the wrong finale to a show gone murderously awry.
