Built with the Alexa software, the device aims to follow your commands ranging from finding information to smart home management. After four years of development within the renowned Amazon s Lab126 offices, the Amazon Echo device was tinkered and modified into what it is today. Unfortunately, the full potential of the device is yet to unfold. Hence, numerous guides were written to help users in discovering what Echo can do for them. This book will bring you to the latest attempts of Amazon in virtual interactions. Aside from Kindle eBook Reader, the Echo is an addition to the company s...
