

Poland's Phyrric victory over bribery and collusion on its way to the European Union

By Marta Agnieszka Marciniak

GRIN Verlag Apr 2016, 2016. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject Business economics - Economic Policy, grade: very good, Vienna University of Economics and Business (Interdisciplinary Institute for European Questions), course: Transformation in CEE and Enlargement of EU, 21 entries in the bibliography, language: English, abstract: Despite the bad impression Poland's position in the Transparency International Corruption Perceptions Index has remained unchanged since 1999. Nevertheless, corruption is not declining but rather growing in several areas. As a matter of fact, the number of scandals reporting 'irregularities' involving politicians and other public officials has been on the rise for the last two or three years. So is the discussion of legislation and other measures. Attention shall be drawn to the fact that the considerably higher number of convictions for corruption since 1998, as well as the more common presence of corruptionrelated topics in the media is rather due to greater media activity than thanks to the effectiveness of institutions of prosecution. According to several surveys corruption is most widespread in the healthcare system, judiciary, sub-national governments and central State administration....
