## The Courage to Soar Higher: The Story of NASA and the U.S. Space Program: An Educators Guide with Activities in Science, Mathematics, Language Arts, and Technology

By National Aeronautics and Space Administration

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 406 pages. Dimensions: 11.0in. x 8.5in. x 0.9in. The Courage to Soar Higher was written for two main purposes. The first was to tell the story of the National Aeronautics and Space Administration (NASA) and the United States (U. S. ) space program with the hope that students may one day join the workforce that will send humans to the Moon, Mars, and beyond, or perhaps aspire to be one of the astronauts who will make those journeys. The second was to give students the opportunity to conduct not only simple research where the information is shared, but to also conduct research that enables them to design and create some of the engineering challenges faced by NASA scientists and engineers today. The Courage to Soar Higher was originally intended to be one or two lessons at the end of the educator guide The Courage to Soar. However, the story of NASA could not be contained in such a small space. So another guide was created to focus on the achievements of NASA with an emphasis on its contributions to the field of aeronautics, that is, the science and technology...
