Reviews

It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

Dover Publications Inc., United States, 1979. Paperback. Book Condition: New. 270 x 204 mm. Language: English . Brand New Book. The swirling organic forms of Art Nouveau are enjoying a great revival in popularity, and Ed Sibbett has adapted 16 designs with women, flowers, birds, and animals for this stained glass coloring book. The designs are printed on translucent paper so that you can mount them on your windows after coloring and obtain an effect much like stained glass. These designs lend themselves especially well to this effect, whether you use crayon, felt-tip pen, acrylics, watercolor, tempera or even oil paint.
