Literature experts agree that these skills were mainly shaped during the creation of Dubliners , a volume of more comprehensible short stories published in 1914. The genius of this collection revolving round the ill-fated lower middle class life in early 20th century Dublin is the lively description of the individual characters contained therein. Joyce accomplished these detailed characterizations by mainly using actual friends and acquaintances as well as enemies as models for his characters. In A Painful Case , the most sophisticated and complex Dubliners story (Adam Sexton), it is apparent that James Joyce himself serves as a blueprint for the main character of the story, James Duffy. Accordingly, this written work contends that 'A Painful Case' is in reality a glimpse at Joyce s own personal life, and more particularly at the relationship to his future wife Nora Barnacle. 16 pp. Englisch.
