Goodwill Publishing House, New Delhi, India. Softcover. Book Condition: New. An essay is a short, medium or long write-up on a topic. The students who read good essay books are naturally more knowledgeable than others and are able to answer general questions on a number of topics, besides being able to elaborate on ideas precisely and effectively. 125 Essays for College and Competitive Examinations is unique in its coverage and presentation. It encompasses a comprehensive round-up of the entire spectrum of important fields and gives a complete overview of regional, national and international panorama, including various pressing issues like environmental protection, capital punishment, corruption, gender inequality, black money, terrorism, among others.
