Mushroom Model Publications. Paperback. Book Condition: new. BRAND NEW, Malta Spitfire Vs - 1942: Their Colours and Markings, Brian Cauchi, In the desperate battle for Malta in 1941-2, when German and Italian bombers pounded the island, the arrival of Spitfire Mark Vs helped turn the tables in favour of the Allies. Flown from RN and USN carriers, and some even direct from Gibraltar, the Spitfires significantly enhanced the defences. For many years arguments have raged about the precise colour schemes carried by these aircraft. In this new book Malta-based aviation historian Brian Cauchi looks at all the evidence - from photographs and personal memories through to surviving parts of these aircraft - and presents his personal interpretation of the many colour schemes, official and otherwise, carried by these hard-pressed and hard-working warplanes.
