

Banking in an Unregulated Environment RLE Banking Finance California, 1878-1905

By Lynne Pierson Doti

Routledge. Hardcover. Book Condition: New. Hardcover. 178 pages. Dimensions: 9.3in. x 6.3in. x 0.7in. The study of financial history has never been more important. This volume focuses on theories about the relationship of financial markets to the rest of the economy. Searching out information on financial institutions and markets from the past, this work tests theories from the 1980s and 90s with this data, mainly in two fields of economics: financial structure and performance and economic development. Understanding and testing the relationship between money and credit and the level of output in the economy, the author emphasizes, may help predict or prevent business cycles and even make it possible to increase the rate of development and growth of an economy. Although this volume focuses on one geographical and historical area of the US economy, the lessons and implications are relevant for the global economy of the 21st century. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
