

## Superfrog and the Big Stink!

By Foreman, Michael.

Andersen. 1 Paperback(s), 2014. soft. Book Condition: New. A silly superhero with a serious message, Frank the frog a.k.a. Superfrog returns in this adventure for readers 5 to 7, and he's not happy. His idyllic summer day by the pond is ruined when a tin can bumps into his dangling legs, followed by more floating junk and sewage from the city. Using his own remarkable jet propulsion (Frank inhales hugely and then passes gas), Superfrog flies off, collecting a small army of enthusiastic children and storming the top office of the city to secure a promise of diligent clean-up efforts. Kate Greenaway Medalist Michael Foreman's quirky environmental fantasy makes the point with laughs and his superbly detailed watercolors. 30.
